

# MICKER PRO

## ALL IN ONE MICROPHONE & SPEAKER

- **Good grip feeling and convenient usability with simple design** - Being held in one hand, it runs with only one button control.
- **All-in-one design to carry** - Without any complex cable, it is convenient to use and carry!
- **Rigid Material and excellent durability** - Event if dropped it is not damaged or easily broken - designed for portable use.
- **Sound quality and sound level good enough for a lecture room** - it conveys a clean and clear tone of voice.
- **No directional nature of sound** - Sound spreads out in whole space, naturally and effectively.
- **Howling suppressor applied** - No unpleasant noise is generated with this mic and speaker combo, and with no delay time the sound is clear!
- **Protection circuit mounted lithium ion battery and power saving mode** - Safe and long lasting battery is included with automatic power saving mode for long time use!
