

CyberLink Power2Go 10

CORPORATE
EDITION

All-in-One Software Trusted by Leading PC Makers Worldwide

Datasheet

Power2Go 10 Corporate Edition is a unified software solution that offers end-to-end functionality for all burning and backup needs. Incorporating an advanced disc burning engine with a military-grade encryption algorithm, Power2Go delivers fast and efficient media burning for an exceptionally wide range of disc formats. An intuitive interface and tons of innovative features make Power2Go the smart choice for when you need to securely burn and back up your data and digital media.

Trusted by leading PC and burner manufacturers:

Burning and Backup for School, Government and Business Needs

- **Fast and easy archiving of important files** – Back up and password-protect critical files. Burn data to Blu-ray, DVDs and CDs.
- **Create content discs** – Burn training videos, presentations, and marketing materials for distribution on any disc type.
- **Duplicate discs** – Easily make reproductions of CDs, DVDs, Blu-ray, and even BDXL discs.
- **Disc spanning** – Back up huge amounts of organizational data by spanning it across multiple discs.
- **Mount and view ISO discs** – View and extract ISO image contents without mounting the ISO file as a virtual drive.
- **Drag-n-drop desktop gadget** – Save time with the easy and intuitive interface. Drag files to be burned directly from the desktop to the gadget.
- **Photo gallery slideshows** – Distribute your organization's content with photo gallery discs that run on any PC.

CORPORATE
EDITION

All-in-One Software Trusted by Leading PC Makers Worldwide

Datasheet

- **Create audio CDs** – Burn audio CDs for internal or external distribution.
- **Military-grade encryption** – Safeguard sensitive organizational data with military-grade 256-bit encryption. Encrypt all data or just parts of a disc. When absolute confidentiality is required, even file names can be encrypted.
- **BDXL image file support** – Burn to Blu-ray Disc eXtra Large (BDXL) format, which allows for disc capacity as high as 128 gigabytes per disc.
- **OS compatibility** – Run Power2Go on Windows Vista, 7, 8, and 8.1 systems.
- **SCCM and SMS support** – Efficiently manage the IT environment with easy distribution and management of Power2Go 10 Corporate Edition across an organization's devices.

Valuable Advantages for Pricing and Support

- **Low minimum order quantity** – With MOQs of only 3 licenses and significant discounts available for larger quantity orders, there is little barrier to becoming a licensed reseller and ample scope to add value and increase profitability.
- **High reseller margins** – Attractive reseller margins of 20%, along with tiered discount rates up to 70% off suggested retail price offer a rich opportunity to develop strong revenue streams.
- **Customer support** – Comprehensive after-sales service, with multilingual help desk.
- **Product maintenance and upgrades** – Established maintenance program available for 1, 2 & 3 year terms, with priority technical support and free upgrades.

Comparison Chart

	Power2Go 10 Corporate Edition	Windows 8.1	Windows 7
Data Burning and Management			
Burn data to Blu-ray, DVD, CD	✓	✓	✓
.ISO Disc Image Viewer	✓	(Requires mounting)	-
Extract Individual Files from an .ISO Image	✓	(Requires mounting)	-
Double-click and View Files from an .ISO Image	✓	(Requires mounting)	-
Mount .ISO image as Virtual Drive	✓	✓	-
256-bit Disc Encryption	✓	-	-
Password Protection for Full or Partial Disc	✓	-	-
Copy Disc (CD, DVD, Blu-ray Disc)	✓	-	-
Span image files across multiple discs	✓	-	-
Photo Burning			
Create interactive photo gallery discs	✓	-	-
Music Burning			
Create Audio CDs	✓	✓	✓
Rip Audio CDs to lossless FLAC/APE formats	✓	-	-

System Requirements

Operating System

- Microsoft Windows 8/8.1, 7, or Vista
- Windows Media Player version 9 or above installed
- Internet Explorer 8 or above

Screen Resolution

- 1024 x 768 pixels

Memory

- 128MB SDRAM for data and music burning
- 256MB DDR RAM for video burning (512 MB recommended)

CPU

- Intel Pentium 4 2.0 GHz, AMD Athlon 2100+ or above recommended

Hard Drive Space

CyberLink Power2Go 10

CORPORATE
EDITION

All-in-One Software Trusted by Leading PC Makers Worldwide

Datasheet

- 5-10 GB for making DVDs
- 25-125 GB for making Blu-ray discs

Optical Disc Drive

- A CD or DVD burner (CD-R/RW, DVD+R/RW or DVD-R/RW) is required to burn VCD or DVD titles
 - Supported Burning Speeds (CD): 1x, 2x, 4x, 6x, 8x, 12x, 16x, 20x, 32x, 48x
 - Supported Burning Speeds (DVD): 1x, 2x, 4x, 6x, 8x, 10x, 12x, 14x, 16x, 18x, 20x, 22x, 24x
- A Blu-ray disc recordable drive is required to burn Blu-ray Discs
 - Supported Burning Speeds (BD): 1x, 2x, 4x, 6x, 8x, 10x, 12x

Note: Available disc burning speeds are dependent upon your burning hardware.

Disc Formats

- **CD**
CD-R/RW
- **DVD**
DVD-R/RW, DVD-R DL, DVD+R/RW, DVD+R DL, DVD-RAM
- **Blu-ray Disc**
BD-R, BD-R DL, BD-RE, BD-RE DL, BDXL

Hardware Support for CPU/GPU Acceleration

- **Intel**
 - **CPU:** Power2Go supports hardware acceleration technology in all generations of Intel® Core™ Processors up to and including new 4th Generation Intel® Core™ Processors
 - **GPU:** Intel® Iris™/Iris™ Pro Graphics: 5000 Series, Intel® HD Graphics: 4000 Series, 3000 Series, 2000 Series
- **AMD / ATI**
 - **GPU:** AMD APU Family with AMD Radeon™ HD Graphics: A, E2, C, E, and G Series, AMD Radeon™ HD Graphics: R5, R7, and R9 Series, HD 6000, 7000 Series, AMD Mobility Radeon™ HD: 6000M, 7000M, and 8000M Series, ATI Radeon™ HD Graphics: 5400, 5500, 5600, 5700, 5800, and 5900 Series, ATI FirePro™ Graphics, ATI Mobility Radeon™ HD: 5100, 5400, 5600, 5700, and 5800 Series, ATI Mobility FirePro™: M7820, M5800
- **NVIDIA**
 - **GPU:** GeForce 8500GT and above, GeForce 9800GT and above, GeForce GT/GTS/GTX 200, 400, 500, 600, 700, 800, 900 series, GeForce GT/GTS/GTX Titan series

(NOTE: For users of NVIDIA cards who have updated to graphics driver 340.43 or later, the CUDA video hardware encode feature is no longer available. To re-enable hardware acceleration, please download and install an earlier driver.)
