Protection

GripCase's EVA foam construction and patent pending design protect your school's investment.

- Protruding handles protect the glass during front impact
- Corner cushions redirect impact force away from the device

Handling

GripCase's 4-handle design allows for easy handling in both portrait and landscape mode. GripCase is an excellent assistive technology aid in special needs environments.

Portability

GripCase's slim design and 5.1 oz weight makes it ideal for travel, whether in your school's hallways or outside with your students.
